

# Credit Score, powered by SavvyMoney.

**Instantly see your credit report with Credit Score, powered by SavvyMoney.** This educational tool helps you understand your current credit score, gives you free access to your full credit report and provides credit monitoring alerts. The best part is using this financial tool has no effect on your credit score, so you can check it as often as you like.

## How to enroll in SavvyMoney

- 1** Select **Financial Wellness** from the e-Banking menu. 
- 2** Enter the **primary member's date of birth** and agree to the terms and conditions to enroll.
- 3** Verify your identity by answering three questions based on the primary member's credit report.

Once you've completed these steps, **you're all set to view your credit score and report!**
